

On Wednesday night, June 25, United for Single Payer, got off to a great start. Thanks to the generosity of meeting participants, our fund raiser met its goal of raising \$4,000 that evening. We want to thank each and every one of you who contributed.

Now we need your help so we can meet Goal #2: To raise \$6,000 more for a total of \$10,000 by 5 pm on July 8. If we meet that goal, a generous donor has offered to donate an additional \$1,000, to make a grand total of \$11,000 raised.

We request that you ask your organization and every single payer advocate you know to contribute. We need funds to pay for ads, events, signs, rallies or other actions voted on at our weekly meetings.

United for Single Payer is already on the move! Our first event is taking place Sunday, June 28, at the Seattle Gay Pride Parade. See the event description at the bottom of this e-mail.
